RATINGS

- Tasting Panel; 90

Infamous Gold is a special cuvée, 100% Cabernet Blanc, a new grape variety specially selected by the Pugibet family. Resistant to diseases, it allows a natural viticulture without any pesticide. It offers the purest and most crystalline expression of its famous Cabernet Sauvignon parent. Picked up in the cool of the morning, the bunches are pressed gently. Juices ferment a month at low temperatures to preserve the aromas and gain depth.

The brilliant color is bright and lemony with golden touches. The pleasant nose is dominated by a fruity bouquet: citric, exotic, and spicy fruits. Infamous Gold is expressive and elegant. The palate tastes like grapefruit, sweet spices (vanilla, cinnamon) and ends with salty notes. A lot of freshness, vivacity and greed on this wine, which will be appreciated on Thai cuisine, poultry or as an aperitif with friends.
